WAYS TO PLAY

• Go on an alphabet scavenger hunt. Look around your home for objects that begin with different letters.

• Do an alphabet race. Place the cards across the room, take turns calling out letters, and race as fast as you can to find the letter.

• Fasten a card to the refrigerator each morning and call it the letter of the day. Do a special activity that starts with that letter! P - make a painting! W - make a wand out of a paper towel roll!

• Use the letters to spell words!
